"Thank you lord"

Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus."1 Thessalonians 5:16-18

With my hands lifted up
And my mouth filled with praise
With a heart of thanksgiving
I will bless Thee, O Lord

It is not always easy to give thanks, but this is the *very thing* to do in order to see God's will accomplished in our lives. This is how we move into higher realms of faith for ourselves, our church, city, and nation.

Thanksgiving breaks the power of the enemy. Whenever you give thanks to God, despite even the most *difficult* circumstances, the enemy loses a big battle in your life, and you bring pleasure to God's heart. He is looking for Christians who live in a realm of praise and thanksgiving, such that Satan has no ability to hold or manipulate that person.

Thankfulness is the key to **living life well**. It is the key that turns your situation around because it changes you, your outlook, and your attitude.

There is great power in a *thankful* heart.

On Sunday 18th September our church family came together as one in physical presence and in a spirit of thanksgiving.

- # We celebrated the goodness of God.
- # We learned more about how *generosity* brings great joy and blessing.
- # We heard many testimonies of the goodness of God.
- # We expressed our thanks as teams, small groups and individuals through word and deed - and responded in a financial offering of thankfulness.

This was all done from a *joyful* heart, not by compulsion or burden. It was an expression of *together* thankfulness - a *heart for the house* - believing that God has called us to grow our capacity to serve our community through our church facility. Simply, the more we can make solid payments to our property loan, the greater our capacity to develop the needed facilities for our growing ministries to families. Towards this we are also commencing a search for an Associate Pastor Families - to respond to the growth God is giving in families with children and youth within EBC.

Yes - It's been a very good year. God has been SO faithful as we have stepped out with daring faith and brought a daring offering from a thankful heart.

May God continue to bless and take joy in our thankfulness.

Your friend and Pastor John Beasy

Stamp Ministry

REMEMBER EVERY STAMP COUNTS!

For more than 50 years many people have been collecting and selling stamps to raise money for the work of Global Interaction. Many of you faithfully send in bundles of used stamps. We need you to help. Please save your stamps and place them in the wooden box with stamps on it in the foyer The generous hard work of all our volunteers means that our operating costs are virtually nil and the huge profit can go to the work of Global Interaction. Thankyou Kim Van Dokkum

Arthur and Tamie

Tanzania

Arthur and Tamie recently had the pleasure of attending the wedding of a friend and TAFES (Tanzania Fellowship of Evangelical Students) colleague Isaac. Arthur and Tamie report that many students come to university hungry for someone to speak into their life, but their churches or other connections fail to come alongside them. TAFES is keen to broaden the kind of impact of faithful students, encouraging graduates and associates to mentor students, helping them to commit every aspect of their lives to Jesus. Please pray for Arthur and Tamie and TAFES and for the connections that they are making with University students in Tanzania.

Finding God Part 2

“Let God appear, then I'll believe!”

That's easy to say, but what do we want to see? His mighty power? No, that would overwhelm us. His holiness? No, such exposure would shame us. His omnipresence (being everywhere at once)? No, that would smother us.

For mere man to capture a glimpse of God would be like trying to fit a million Pacific Oceans into a teacup.

The fact is our eyes could not handle even a brief glimpse of God in all of his majestic power and glory. In fact he told Moses, “no one can see me and stay alive!” Exodus 33.20 (Good News Bible).

What we really need to see is the kind of heart he has. Does he sympathise, is he compassionate, is he a God of love?

He has answered all of these questions, laid bare his heart through one special person – Jesus. So, when Philip said to Jesus, “Show us the Father,” Jesus replied, “He who has seen me has seen the Father.” John 14.9. He also said, “I and the Father are one.” John 10.30.

Though there may be much about God we don't understand, with Jesus' help we can make a start.

Best way to find God?

Jesus said, “I am the Way.” John 14.6.
