DARING FAITH

Prayer Points

This week we are praying for -

Our church – for our small groups to be families of people where love, care and prayer happen as we look to be on mission together.

Our community – for God to show you where he is at work in your school, university, workplace, neighbourhood, book club, sports club, favourite cafe or other place you frequent, that you might join him in what he is already doing there.

Our city – for children who are under the care of the government that they may be kept safe, supported, and loved; and that more foster carers and families would consider fostering to allow more vulnerable children to flourish.

Send “I will pray” + “full name” + “email or mobile” to prayer@enfieldbaptist.com.au to join us every week

Overcoming the flesh!

If we could control the demands of the flesh there would be no more selfishness, hatred or war. In the meantime we have three Christian remedies.

First, we can *amputate!* Jesus said, “If your hand or foot causes you to sin, cut it off and cast it from you.” Matthew 18.8. This is in fact how thieves are punished in the Middle East! But is this what Jesus really wants for a Christian's body, which is the Holy Spirit's sacred temple? 1 Corinthians 6.1.

No, he's using sensation to grab attention – cut out ordinary, legitimate things if they cause us to go astray.

Second, “walk in the Spirit” to *counteract* lust of the flesh.” Galatians 5.16. To escape from Earth astronauts need a counteracting power that exceeds gravity's pull – an escape velocity of 24,200 miles per hour!

And we need God's counteracting power to make a foul person clean, to set a drunkard free, to keep marriage partners faithful.

Third, we can *become weightless* – “lay aside every weight, and the sin which so easily ensnares us.” Hebrews 12.1.

But being weightless brings new problems of balance and control, and lack of exercise. Ask the astronauts. We still need God's daily help.

The average man is so conventional it can be positively painful for him to do the unusual.
